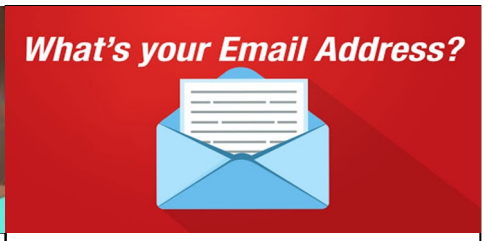
Wondering how to give your tithe?
Simply, mail it to the church office. We are working on setting up online giving to make it more convenient.

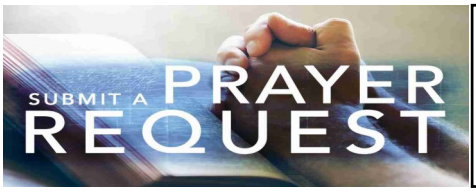
If you would like a DVD or a CD of the service, let us know.
We can mail you the services.
Call Pastor Brent or email us at flintfaith@sbcglobal.net



One of the main ways to stay up-to-date with what's going on at the church is by e-mail. If you are not receiving anything, please e-mail us at flintfaith@sbcglobal.net

"SHOWER WITH GIFTS"

Dustin & Tabitha Leadmon are expecting their baby in the beginning of June. Due to the Coronavirus we are unable to have a baby shower for them at the church, so we are doing an online baby shower to share in their excitement. Send them a card/gift card or purchase something from their Target registry and have it shipped directly to them. Their Target registry is under the name Tabitha Schmidt. An e-mail has been sent out with their current address (it has changed since the directory was printed) or you can PM Lynda Stanfill.



How can we be praying for you???

You can now submit prayer requests on our church website **www.flintfaith.com.**

The June Car Cruise has been cancelled.

Be sure to mark your calendar for the Car Cruise on Sunday, September 20th.

Brown City Family Camp
July 30—August 9

Within the ability of the leadership of Brown City Camp, we will have Family Camp in some form during the normal camp time.

1. We are holding to the hope, that it is the Lord's plan, we can have camp as normal. If not..

2. We will be following the guidelines set forth by the government. If we are limited in the number that can gather, we will put together a team that will broadcast the services from the Eastman Tabernacle. Numbers of people may be limited and space or distancing enforced. This may restrict who can attend services.

3. If we cannot provide a safe assembly, we will broadcast services from the tabernacle without people in the building and you may not be allowed to camp.

4. As a last resort, if travel is restricted we will work with the speakers to provide recordings for use to broadcast. We will do as many churches are doing today.

<u>What you can be doing:</u>

1. PRAY!
2. Support the decision made by: the camp board and the government
3. Plan to be at camp! However it looks.
4. Support the camp financially, we will work with lot fees, deposits or refunds for anyone that needs assistance. Think of Brown City Camp in the years to come.
