A Call to Prayer

Will you join us in 2018 of taking on the challenge of prayer? Prayer is key and foundational to the ongoing growth of a believer so as Faith Missionary embarks on a journey to become more passionate followers of Jesus, we want you to join us. We pray that you would be a part of the various prayer challenges throughout the year and that as you do so, God would open your heart so that prayer becomes an essential part of your life. We truly believe that this year your life and the lives of those you love will be changed. Join us as we launch a prayer partner's ministry, are challenged to Seek God for our city, and re-launch our Women's Bible Study with a 40-day prayer challenge.

It's the song that brings ultimate hope to so many . . . often in the midst of life's most challenging moments. Amazingly, the song was written in mere minutes by MercyMe lead singer Bart Millard. In reality, those lyrics took a lifetime to craft.

Chasing a dream while running from broken relationships with his father and Shannon, his childhood sweetheart, Bart hits the road in an old, decrepit tour bus with his new band MercyMe—named for his grandmother's favorite expression. With the guidance of a grizzled music-industry insider, the band begins a journey none of them could ever have imagined.

A gripping reminder of the power of forgiveness, **I CAN ONLY IMAGINE** beautifully illustrates that no one is ever too far from God's love or from an eternal home in Heaven.
