Youth Winter Blast February 7-9, 2020

Pray for our teens and leaders as they prepare for Grace Adventures. The teens will be challenged through messages, worship, small group time and workshops. Pray that during this time our teens will have fun, grow closer together and closer to God.

As the students go, so goes our nation! If we win the spiritual battles across our nation but neglect our college campuses, all our progress will be undone in a generation. Therefore, students today need our support and earnest prayers. However, college students don't just need more prayer, they need our **UNITED** prayer. Without a greater degree of genuine, unified prayer, our hopes and dreams for this generation may never be realized. According to Matthew 18:18-20, the greater the number united in faith and prayer, the easier the battle for this generation can be won.

Pray for an awaking among students in America. Go to collegiatedayofprayer.org for more information.

During the month of February we are collecting peanut butter, jelly and plastic storage bags (gallon, quart, or sandwich size) for the Flushing Christian Outreach Center. Donated items can be placed on the designated table.
