## Resources/Ideas:

Here are a couple of sites for making different kinds of paint for your kiddos — or yourself =)

<https://happyhooligans.ca/homemade-watercolour-paints/>

<https://www.onecrazymom.com/how-to-make-sidewalk-chalk-paint/>

Here is a recipe for Puffy Sidewalk Chalk:

1 cup flour

1 cup water

1 Tablespoon dish soap (any kind)

5-10 drops food coloring or washable paint

-In a large mixing bowl stir together the flour and water until no more lumps remain --Stir in the dish soap --Add food coloring/paint till desired color is reached -Pour the mixture into squeezable bottles --Divide mixture to make more colors or do several batches --\*Use same day, they explode if left closed

This page has several different things to make/bake

**Another idea:** use painters tape and make stained glass windows. Check it out here, also has other fun ideas <https://www.craftymorning.com/paint-your-own-stained-glass-windows/>

**Indoor camping**— set up tents inside, sleep in sleeping bags, cook “campfire meals”, make s’mores, etc. or if you like cool weather camping set up in your yard!

**Make a campfire** — roast hot dogs, marshmallows, sing, etc.

**Movie night**

**Family Game Night**

**Host a Talent Show**

**Look for rocks** when you go for walks, take them home, clean them up, and paint them, leave on your neighbors steps/driveway, etc. with a note

## Scavenger Hunt

**Make cards** to send to family, friends, neighbors, etc. (thinking of you, praying for you, encouragement, humorous ...)

*“Let us fix our eyes on Jesus, the author and perfecter of our faith, who for the joy set before him endured the cross, scorning its shame, and sat down at the right hand of the throne of God. Consider him who endured such opposition from sinful men, so that you will not grow weary and lose heart.”*
