Resources/Ideas:

We will be sending out Easter information on Saturday for you to use with your families on Sunday in conjunction with our Easter Service and just for something fun – we will have an Easter Scavenger Hunt! Winners will receive a \$25 Amazon Gift Card! WooHoo! Be sure to look for the details coming to your inbox on Saturday =)

Make Resurrection Eggs and use them to do a small egg hunt Easter morning to help tell the story. Here are a couple of different links to make your own that also have extra ideas/helps to check out. Remember you can always substitute an item for something else you may have on hand and find the scripture to go with it (fake fur instead of small donkey; feather for the rooster that crowed; etc.) Make it your own =):

I saw that the website "Truth Becomes Her" has their devotional stories for girls available for free right now. So if you have girls in your house or know of someone who does, pass this along to them! I believe that it is geared specifically for ages 4-10 (but others may enjoy as well).

Here is another resource for Easter! Orange has put together an EasterJam video to help your family celebrate Easter together. Parent instructions are on the main email. You can check out the video here: <https://vimeo.com/402803930>
