

The Love of God

Sermon Notes...

Love That Defeats Death

1 Corinthians 15:20–22

Big Idea: The love that chose the cross and endured suffering is the same love that conquered death — and now gives us life.

1. _____ That Refuses to Stay in the _____. (1 Cor 15:20)

- The resurrection is not an afterthought — it is the victory of love.

2. _____ That Reverses the _____. (1 Cor 15:21)

- The resurrection is not just proof of life after death — it is proof that sin has been defeated.

3. _____ That Offers _____ to All. (1 Cor 15:22)

- Love invites us into a new identity.

This is not just a day to celebrate.
This is a moment to respond.
Because love didn't just come for you.
Love didn't just suffer for you.
Love rose for you.
And today, life is being offered.
Step out of death.— Step into Christ.
